BRAZIL Lençóis

ORGANIZED BY WIND & WATER ADVENTURES IN COLLABORATION WITH KITE SCHOOL PUERTO VELERO

Welcome

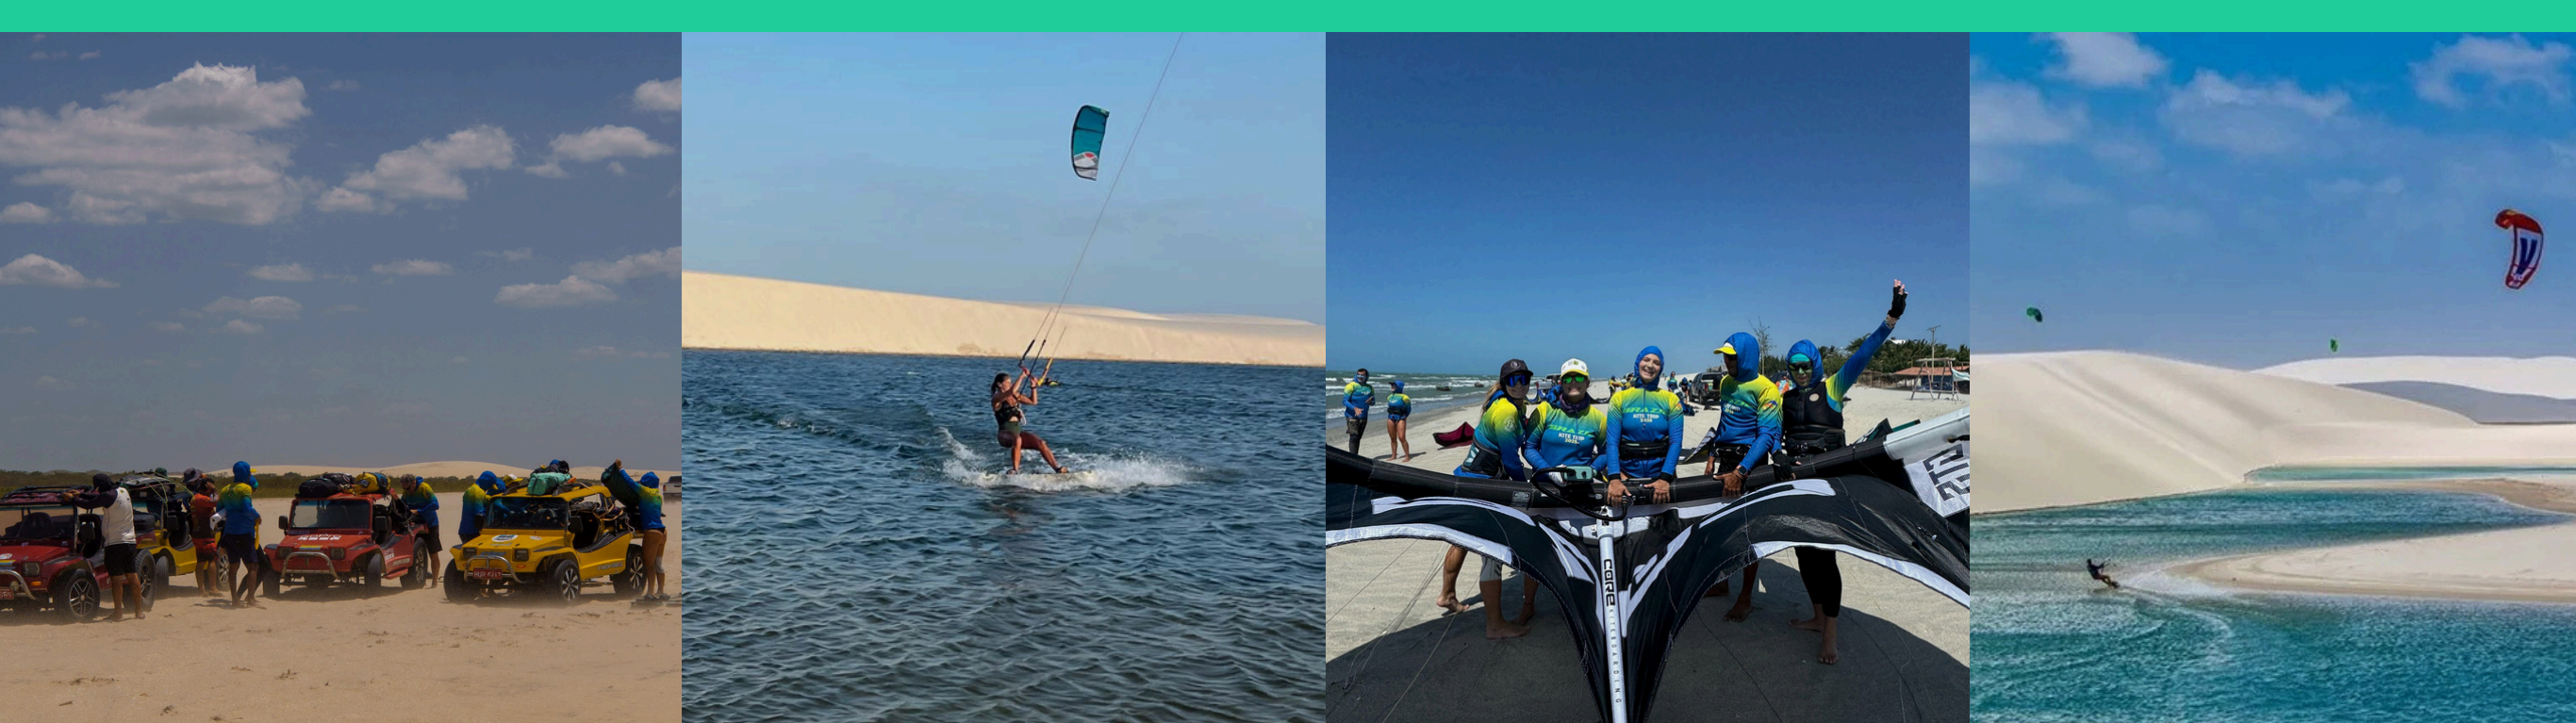

Welcome to a kitesurfing experience designed to enjoy and explore the Lençóis Maranhenses National Park.

Explore 370 km of the Brazilian coast. Discover 6 different spots, riding through lagoons, the sea, and the Parnaíba Delta River, reaching the magical Lençóis National Park.

The destination

Located in northeastern Brazil, this is one of the most unique landscapes in the world: a desert of white dunes dotted with crystal-clear freshwater lagoons. Our base is Atins, a small fishing village with direct access to the sea and offering fresh, local cuisine.
