ORGANIZED BY WIND & WATER ADVENTURES IN COLLABORATION WITH KITE SCHOOL PUERTO VELERO

Welcome

Immerse yourself in a kitesurfing and Brazilian culture experience, traveling through various destinations filled with wind, landscapes, and good energy. This is a trip designed to take you to your next level in kitesurfing while you enjoy the best of Brazil—its beaches, culture, and cuisine.

The destination

CUMBUCO

Miles of beach, constant wind, and a vibrant energy. Cumbuco is the perfect starting point: a relaxed atmosphere, music, riders from all over the world, and ideal conditions to get into the rhythm from day one.

ILHA DO GUAJIRU

A lagoon that looks like it's from another planet. Endless flat water, constant wind, and a scene full of kites sailing. Ideal for progressing: from freestyle to downwinds in perfect conditions, with all the Brazilian charm.

JERICORACOARA

An iconic destination where nature and social life blend together. Ride during the day and end at the "Duna do Por do Sol," where everyone gathers to watch the sunset. Walk and dance on the caipirinha street, ending up facing the sea. Jeri has a unique energy that always makes you want to stay a little longer.

TATAJUBA

Wilder, more authentic. A lagoon of flat, crystal-clear water connected to the sea. Perfect if you want to try new tricks or head out to ride on the ocean. Experience days of wind, sea, and freedom.
